SUMMARY

React Native developer with 3+ years of experience shipping production mobile apps and owning store release cycles. Builds full-stack web projects with Next.js (monorepo + pnpm), Supabase, Prisma and PostgreSQL; recently delivered OpenAI-powered in-app chat and image processing flows. Strong in real-time features (WebRTC/messaging) and native modules (Swift, Kotlin/Java).

TECHNICAL SKILLS

Mobile: React Native (CLI/Expo), React, WebRTC, Push Notifications, Geolocation, Redux Toolkit, SQLite

Web: Next.js, React, monorepo (pnpm) with web/admin apps

Backend/Data: Supabase, Prisma, PostgreSQL, Firebase, MongoDB | AI: OpenAI (chat + image processing)

Tools: Git (GitHub/Bitbucket), GitHub Actions, Cloudflare, Vercel, Android Studio, Xcode

PROFESSIONAL EXPERIENCE

INTIME INFO SOFTWARE SOLUTIONS — Istanbul, Turkey

React / React Native Developer | Apr 2023 - Present

- Develop and maintain production mobile apps; manage Play Store/App Store/Huawei AppGallery releases and updates.
- Built “Intime İK” super-app modules (HR, PDKS, expenses, tasks, surveys, CRM, etc.) and shipped to app stores.
- Implemented real-time messaging and audio/video calling features using WebRTC.
- Built native modules (Swift, Kotlin/Java) and integrated Firebase, Redux, SQLite, and notifications.

WHOMII — Istanbul, Turkey

React Native Developer | Mar 2022 - Jan 2023

- Developed and launched the Whomii mobile app (TR/EN) using React Native + Expo.
- Integrated Firebase services and push notifications; handled API requests with Axios.
- Used Redux Toolkit + AsyncStorage; worked with Firebase Realtime DB, MongoDB, and SQLite.

SELECTED PROJECTS (PERSONAL)

AI-assisted React Native app (OpenAI)

- Implemented in-app chat and image processing workflows; built robust error/rate handling for long-running operations.

Next.js + Supabase web apps (monorepo)

- Built full-stack web + admin apps with Next.js, Supabase, Prisma, and PostgreSQL in a pnpm monorepo; deployed via Vercel/Cloudflare with CI/CD.

EDUCATION

Maltepe University — Istanbul, Turkey | BSc, Software Engineering (English) | 2017 - 2022

ADDITIONAL

Languages: Turkish (Native), English (Professional)
